

CLIENT/HOMEOPATH AGREEMENT

HOMEOPATH

MICHELLE VOSS

CLIENT

Please read the following document carefully and then sign and date the bottom to show your understanding and acceptance of the consultation process.

THE CONSULTATION

You understand that the initial case taking can take up to 90 minutes and that the practitioner will need time to take a detailed case history, to include current issues and going back to childhood diseases.

I encourage you to be open about your health and lifestyle, past and present, and to engage with the process fully. If you haven't tried homeopathy before this will feel very different to a typical GP consultation.

Follow up consultations can be expected to take between 20 minutes to an hour and will be charged at the follow-up rate.

All information shared will remain confidential and your case details will be anonymised to protect your identity.

MY COMMITMENT

I offer the space to talk and to be heard, without judgement, and will use the information you give me to work out which remedy I feel is best suited to you at the time. Homeopathy is a very individualised process. I will work with you to help to relieve your current issues.

YOUR COMMITMENT

You understand that homeopathy is different to conventional medicine in that we are looking to address the cause of the dis-ease and not simply suppress the symptoms. You understand that sometimes this may not happen immediately, but that I will always work with you to find a best resolution.

PAYMENT

Please make payment prior to our consultation. If this is not possible, please make sure to discuss this with me at least 48 hours prior to the consultation.

FEES

Initial consultation	£75
Follow-up consultation	£45

CANCELLATION POLICY

You will receive a confirmation of your appointment when you book and a reminder two days before. I ask for 2 working days notice for rescheduling/cancellations. I ask that you let me know if you are running late for a consultation.

A 50% fee is payable for late cancellations. A 100% fee is payable for no shows.

I set aside time for consultations and need to manage my diary carefully.

MY WORKING HOURS

My current hours are:

Tuesday	12:00hrs - 18:00hrs
Every other Thursday	10:00hrs - 16:30hrs
Weekends by agreement	

ADDITIONAL INFORMATION

Homeopathy is a complementary therapy and not a substitute for conventional medical treatment. It is recommended that you continue with any ongoing medical care prescribed by your physician.
